BOARD OF REVENUE (CIVIL SUPPLIES)

Abstract.

ASSISTANT SECRETARY
27 FEB 1951
FOOD AND AGRICULTURE DEPARTMENT

Procurement - Foodgrains - South Kanara district - Rationing system - Restriction on movement of foodgrains into Kasargod taluk - Proposal Submitted -.

Board's Ref: No.17296/U.5/51 CS dated 24-2-51.

From

Sri V.S.Hejmadi, I.C.S.,
Commissioner of Civil Supplies.

Sri K.S.Prakasa Rao., B.A.
Joint Secretary to the Commissioner of Civil Supplies.

Read again: Memo No.2122/A-51-1 Food & Agriculture dated 27-1-51.

Read also:
1. Board's Ref: 17296/U.5/51-1 CS dated 3-2-51 to the Collector of South Kanara.
2. From the Collector of South Kanara Ref: No. W.7. 33434/50 dated 5-2-51

SUBMITTED TO GOVERNMENT.

2. In their memo cited above, the Government agreed to the introduction of a restriction on the movement of foodgrains into the Kasargod taluk from the other taluks of the South Kanara district, if the Collector could ensure timely supply of the required stocks to feed the Kasargod taluk from the locally procured stocks. In para 1 of his letter third cited above, the Collector has stated that by regulating the movement of stocks from the other surplus areas in the district he could ensure timely supplies to that taluk but in para 2 of that letter he has stated that he could not do so for all time, out of the locally procured stocks alone, as they will be inadequate. Now that rural rationing is being continued in Hosdrug, sub taluk of Kasargod taluk, it is reasonable that unauthorised movements into the taluk should be stopped and priority of supplies given to this area for rural rationing. The Board therefore considers that the Collector may be permitted to enforce the proposed restriction on movement of foodgrains into the Kasargod taluk at least till rural rationing exists in that taluk. The Board accordingly submits a draft notification for this purpose and requests that it may be approved and published at an early date.

The Secretary to Govt. of India,

New Delhi.

Sir,

SUB: C.S. - Foodgrains - S.Kanara dist. - Movement to Kasargod taluk from other taluks - Imposition of ban.

I am directed to address the Govt. of India on the above subject and to say that there is now no inter taluk ban on the movement of foodgrains in S. Kanara district. Since rural rationing is being continued in Hosdrug, sub-taluk of Kasargod Tq., S. Kanara Dist., the Madras Govt. consider that unauthorised movements of foodgrains into the Kasargod taluk from other taluks in the district should be stopped immediately. They have therefore proposed to impose a ban on the transport of paddy or rice or any product thereof or ragi from any place in the South Kanara district outside the Kasargod taluk to any place within the limits of Kasargod taluk except under and in accordance with the terms and conditions of a permit issued by the Collector of S. Kanara or by his nominee. A copy of the draft notification proposed to be issued in this regard is enclosed. Pl. see the Board's reference in the cf. below with reference to item (4) of Govt. Memo No. 2122 A/57-1 d. 27.1.57. For the reasons stated in cf., the Board recommends that a ban maybe imposed on the movement of foodgrains into the Kasargod Tq. at least till rural rationing exists in that Tq.

It may be noted in this connection that the Board has made similar recommendations for imposition of ban on the movement of paddy and rice from the delta talukes of Trichy Dt. and from the Chidambaram Tq. of S. Arcot Dt. to secure maximum procurement in those talukes under the levy system. It is proposed to reject the Board's recommendation. The concerned file is in circulation.

As regards the present case, the Board was already informed in Memo No. 2122 A/57-1 d. 27.1.57 regarding its proposal for the imposition of the ban, that the intention of the Govt. is that there should be free flow of stocks of foodgrains within the Dt. and that the Govt. would have no objection to the imposition of the ban, provided the collector can ensure the timely

supply of the required stocks to feed Kasargod taluk from the locally procured stocks. The collector has stated that by regulating the movement of stocks from the other surplus areas in the district, he could ensure timely supplies to that taluk but that this cannot be done for all time out of the locally procured stocks alone, as they will be inadequate. If the proposed ban is imposed, it is quite likely that it will be a great hardship for the people in Kasargod.

2) it may be rejected.

If item (1) alone is approved, the case may be sent to legal for scrutiny of the draft notification as per para 6 ante.

The formal concurrence of Govt is necessary for issuing the notif.
